About the Pool Wristband Distribution Process

Dear Residents,

Wristbands are available for purchase by those residents who wish to use the community pool. Pool wristbands are renewed annually; everyone inside the pool fences is required to have a pool wristband.

The pool wristband fee is separate from your annual assessment. As such, you cannot pay your pool wristband fee with the same check with which you pay your assessment.

The Board of Directors will be available on **May 6 and May 7, 2017, from 10:00 a.m. to 2:00 p.m. at the pool to issue pool wristbands.** On this day, the wristband fee will be \$7.00 per swimmer, check made payable to Kenswick H.O.A. This fee is not refundable, and the bands are not transferable.

After May 7, the wristband fee will be \$10.00 per swimmer, checks made payable to CAM, and the wristbands will be distributed from the Association's management office. Wristbands will not be available at the pool or at individual residences. This means that you can get your wristbands on a same-day basis on weekdays, but they will not be available for purchase evenings, holidays, or weekends.

Using the pool wristband form printed on the reverse side, you may also order your wristbands by mail sent to CAM, 9802 F.M. 1960 Bypass-W., Ste. 210, Humble, TX 77338. If you order your wristbands by mail, they will be mailed to you.

GUESTS – a maximum of 4 guests per household will be allowed, and the guests must be accompanied by the sponsoring homeowner at all times. There is a \$2.00 fee per day per guest at the pool.

The Board is confident that with all owners following these guidelines, it will be easier for all to enjoy the facilities this swim season.

Very truly yours, Your Board of Directors
